Available**

Fentex provide the market with optimum value products and services through a network of independent distributors.

By supplying products through distributors we are able to offer the best all-round customer service.

Our multi-structured support package

- Sales, market and product training
- Experienced regional managers working in conjunction with our distributors
- Site surveys - to advise on correct products and best practice
- Regularly updated product catalogues, brochures and flyers
- Spill training
- Personalised literature for distributors
- Bespoke distributor product labels

MANUFACTURED BY
FENTEX IN THE UK

Custom Label Branding

Our high grade wipes labels are fully customisable.

Wipes with distributor or end user company logo and branding at no extra charge.

We can supply a branded label to work from or you can supply your own artwork. Our labels can be modified in any way to meet your requirements. Safety and production information must remain on the labels but will be adjusted to suit layout requirements.

ViraSpray is currently untested on COVID-19, however, COVID-19 has an "envelope" structure around each virus. This suggests it will be sensitive to ViraSpray as it kills 99.9% of similar "enveloped" viruses in under 5 minutes.
*Trigger heads are not recyclable.

EVO Recycled® Wiping Cloths

EVO Recycled® Wiping Cloths are laundered and recycled textiles cut down into useful wiping cloths. Made from recycled textiles they contribute to a better environment by reducing landfill and incineration.

- Absorbs non-hazardous liquids and suitable for use in most workshop and manufacturing applications
- Cuts down on landfill and incineration
- Safely absorb oils, fuels, water, coolant and solvents
- 10kg pack for maximum value and economy

Non-Woven Wipers

- J-Cloth type textured material
- Enviro-friendly, Made using material offcuts which would otherwise be sent to landfills or incinerated
- Centre-feed roll in Dispenser box (BX0002)
- Boxed or Poly-wrapped loose wipers (EVO-RWNW, EVO-RWNW/BG)

EVO spill products provide a unique solution for companies pursuing higher ethical and environmental standards without compromising performance and value with each product in the range is manufactured from recycled or sustainable material.
